LEADERSHIP FOR LAW ENFORCEMENT

Register at: [Leadership for Law Enforcement](#)
or at: www.on-targetsolutionsgroup.com

Who should attend: This seminar is designed for all law enforcement professionals who strive to be an effective leader. Without understanding leadership and developing strong leadership skills, organizational success can suffer. Effective leaders get employees to want to provide quality service.

Why another program on leadership? Leadership has been a recognized discipline for thousands of years in the military, business, politics and government. Understanding leadership differences along with similar approaches across disciplines can be of great value to government executives. Advances in the understanding of leadership as it pertains to government service have found that the best leaders must have an overlapping skill set.

This compelling and powerful program provides real world, successful examples on how leadership in government has evolved. Participants will take away a clear understanding of leadership styles and strengths, and what it takes to become an even more effective leader. You will understand the value in developing flexibility in your leadership approach to garner peak performance and meet organizational goals.

Topics Include:

- What is leadership - do not follow the fads
- How has leadership advanced
- The difference between leadership, management and administration
- The under leadership epidemic in law enforcement
- Preventing employees from becoming problems
- Different styles of leadership
- Symptoms of leadership deficit
- Laws of leadership

Comments from attendees:

"Great real life examples. Excellent for leaders and supervisors and for those looking to become leaders".

"It's refreshing to have an instructor who has 'been there and done that!' Having 1st hand knowledge of the subject material brings home the ideas in a practical manner".

"It is one of the first training opportunities that actually applied to my job and something I can use right away".

"I've attended On-Target Solutions training in the past. Expert knowledge on the subject and kept the class entertaining and interactive.".
