Crime Scene Photography: The Essentials

Register at: Crime Scene Photography: The Essentials
or at: www.on-targetsolutionsgroup.com

This is an immersive two-day fundamentals course is designed to maximize the use of your equipment for recording court admissible photographic evidence. Focused toward personnel wanting to expand their introductory awareness or desiring a basic equipment refresher, while simultaneously learning proven techniques for photographing crime scenes.

Crime Scene/Evidence photography is a learned, specialized and supplemental form of investigative case reporting. Acquired photography skills will often result in recording critical scene conditions or details that official written reports may not comprehensively describe.

Attendees should bring available camera equipment including any accessories for in-class hands on familiarization. Course materials are directly focused on using cameras that have adjustable-manual setting - internal menu options.

Topics Include:

- Equipment Selection Options
- Equipment Familiarization
- Manual Settings Photography
- Exposure Adjustments
- Supplemental Lighting
- Overcoming Obstacles - Tips & Tricks
- Comprehensive Documentation Protocols
- Participant Perspective Inclusion
- Impression Evidence Recording
- Tripod Applications
- Appropriate Use of Scales
- Mapping & Use of Photo Markers
- Analysis - RAW File Format
- Court Admissibility Aspects
- Usable Reference Material Resources

"This class was great!. Easy to talk to, personal and very knowledgeable. Easy to understand, engaging, great instructor, excited to apply new ideas and techniques."

Forensic Analyst Nicole Garrett, Unified PD

"This course was exactly what I wanted. I learned useful skills which I will be able immediately to put into practice. Good information but the best part was using the cameras, manuals and other equipment."

Ofc. John Wells, West Valley PD

"Understanding the camera and all the settings, as I am new to investigation, this helped me a lot. I will suggest this course to the rest of my team but also to patrol/line officers."

Ofc. Tyler Oliva, Tooele County SO
