On-Target Solutions Group  
P.O. Box 491  
Yorkville, IL 60550

The On-Target Solutions Group offers the most comprehensive approach toward forming a professional organization in order to move forward in today's ever changing world. Their focus on leadership, getting the most out of your employees as well as the processes for dealing with problem employees is second to none. On-Target delivers real world solutions to current problems faced by government organizations. They deliver training created specifically to your unique organization and customize the optimal solutions in order for your organization to move forward.

The On-Target Solutions Group has partnered with the Suburban Law Enforcement Academy to provide the best comprehensive training to law enforcement agencies and helps provide them with direction. It also instructs the individual on how to be a better leader in their organization and to take them to the next level. Public safety services are continually in the public's eye, help prepare your organization as well as your leaders for the many complex challenges. Great organizations are the result of great leadership, On-Target Solutions Group takes you there.
