DE-ESCALATION AND SMARTER POLICING: WINNING STRATEGIES FOR LAW ENFORCEMENT MINNESOTA POST #10444-0017

Register at: De-Escalation and Smarter Policing
or at: www.on-targetsolutionsgroup.com

This training meets 8 hours of requirements to comply with Minnesota Statute 626.8469 training in Crisis Response, Conflict Management and Cultural Diversity.

Who should attend: Sworn police officers from the rank of Chief of Police/Sheriff to police officers and deputies, correction officers, and probation officers.

Nothing is as important to government services as the relationship between law enforcement and the public that is served. Recent inflammatory actions and news stories have had a severe impact and the perception of law enforcement. Agencies and individual employees must understand their role and that every action and statement that is made reflects on the profession as a whole. This training will focus not only on individual employee attitudes and beliefs, but also organizational concepts that either enhances trust or perpetuates a lack of trust with the communities that are served.

This seminar will focus on the individual perspective on how to not only de-escalate and not escalate situations, but also how to improve public service on each encounter.

Topics Include:

- Professional policing
- Enhancing public service
- Procedural Justice, legitimacy and fundamental fairness
- How to increase public respect for law enforcement
- Civil and Human Rights
- De-Escalation Techniques
- Cultural Competency
- How to avoid taking "the bait"
