Dear Chief Anderson:

Thank you for your efforts on March 28th and 29th in bringing such a rich level of management and leadership training to my Administrative Supervisors. The expertise, experience, and tools that you shared will no doubt have a great impact on all of the employees of the Cook County State's Attorney's Office, as well as the thousands of victims that we serve in Cook County.

With 30 supervisors in attendance and a dozen more that will receive the training through the video recording within the next few weeks, I am certain to keep hearing the positive feedback that I have received since the 29th. Most notably, my staff was truly impressed with the care that you took to understand the mandates of our office prior to speaking with them, and to tailoring your training to the work that we do.

I truly appreciate this new partnership, and look forward to seeing the continued positive impact of your training on my employees.

Sincerely,

Kimberly Foxx
