Crime Scene Photography: The Essentials

Oklahoma CLEET # 20-0849

Register at: **Crime Scene Photography: The Essentials**

or at: **www.on-targetsolutionsgroup.com**

This course would be applicable for: This is an immersive two-day fundamentals course is designed to maximize the use of your equipment for recording court admissible photographic evidence. Focused toward personnel wanting to expand their introductory awareness or desiring a basic equipment refresher, while simultaneously learning proven techniques for photographing crime scenes.

Crime Scene/Evidence photography is a learned, specialized and supplemental form of investigative case reporting. Acquired photography skills will often result in recording critical scene conditions or details those official written reports may not comprehensively describe.

Attendees should bring available camera equipment including any accessories for in-class hands on familiarization. Course materials are directly focused on using cameras that have adjustable-manual setting - internal menu options.

"This class has been cataloged by the Council on Law Enforcement Education and Training for 16 hours of mandatory continuing education credit. Regarding any law enforcement concepts, practices, methods, techniques, products, or devices as might be taught, promoted, or otherwise espoused in outside schools or seminars, there is no intent, expressed or implied, that listing the course in the CLEET Course Catalog indicates or in any way conveys 'CLEET approval' of such concepts, practices, methods, techniques, products, or devices, unless such approval is explicitly stated by CLEET."
