MANAGEMENT AND SUPERVISION OF INVESTIGATIVE UNITS

Register at: Management and Supervision of Investigative Units
or at www.on-targetsolutionsgroup.com

This course is designed for: Law enforcement officers and supervisors responsible for case evaluation and management, or for commanders who are planning or developing improved case management processes to improve productivity. Additionally, this course will be valuable to senior investigators assigned to small units or small agencies who are primarily responsible for managing investigations in an informal leadership role. This training is appropriate for large or small agencies.

The objectives of this program are: addresses the administrative requirements for managing the investigative processes; the other focuses on managing the operations of the investigative unit, and the evaluation of investigative personnel. We will discuss selection of investigators and supervisors, proper auditing procedures, evaluation of personnel, making impactful changes as necessary for effectiveness, the need to triage cases for assignment as well as investigative techniques.

Topics Include:

- Fundamental principles of investigation from initial on-scene to follow-up investigations
- Evaluation of investigators, investigative work and criminal cases
- The use of case management principles
- Leadership, management and supervision of the criminal investigators
- Case priority and investigative resources
- Caseload and performance management
- Relationships with the judicial system to include prosecutors, defense attorneys, judges, etc.
- Selection of investigative personnel
- Specialized unit issues and concerns

Your Presenter: Greg Anderson served in active law enforcement for 36 years and has been presenting law enforcement related topics for 15 years. He served as a police chief or law enforcement executive in three separate agencies, from large to small. He served as a gang specialist and general assignment investigator for 8 years and as a supervisor in investigations for another three years. During that time he implemented "best practice" management principles. His investigative work included serial and gang homicide investigations, sexual assaults, robberies, etc.

He also served as the head of Internal Affairs where he investigated or managed 100's of investigations.
